

## Workshop # 2

### Exercise on Creativity and Innovation

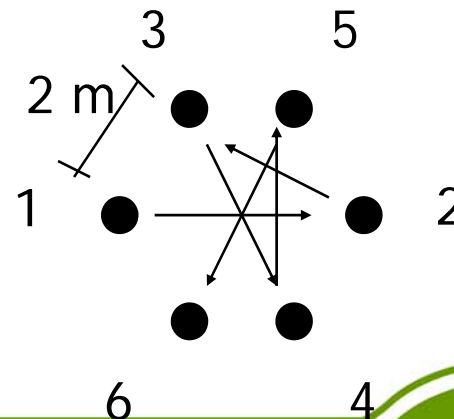

## Actual Situation

### Process:

- 6 people in a circle, distance between each person is about 2 m, each person has a number (1 to 6)
- They are throwing one ball from Nr. 1 to Nr. 6 so that every person is touching the ball one time.

### Lineup:

- Used time: ~ 10 sec.

## Your Target (given by the management)

- Each person has to touch the ball one time, one after the other, pay attention on the correct order (from Nr. 1 to Nr. 6)
- The process should be finished within **3 sec.**

## Your Task

- Improve the actual process to reach your target!
- Use **BRAINSTORMING** as tool to find the best solution
- Prepare a short **presentation**
  - about your process to find the best solution
  - about the your chosen solution
- Present your results to the **management**

## Brainstorming

### 4 principles

- Any kind of **criticism** is strictly forbidden!!
- Phantasy are not set any limits.
- Quantity comes before **quality**.
- Take up the ideas of the others and **develop** them further.

## Your Resources

- 40 minutes for improving the process (brainstorming and trial) and preparing the presentation
- 5 minutes for presentation
- 1 ball
- 2 flip charts
- 2 markers

Good luck!
